

We provide smiles and sighs of relief.

What sets us apart?

Quick Turnarounds – We are agile and pride ourselves on our ability to turn projects around quickly to meet & beat even the toughest deadlines.

End to End Solutions – Under one roof, we can do everything from designing a piece to printing & delivering it to your customer's mailbox, and everything in between.

SAFE ZONE

8 W x 10.5 H
(1/4" safe margin)

TRIM

8.5 W x 11 H

BLEED

8.75 W x 11.25 H
(1/8" cut off)

What Is Bleed?

A document which has images that touch the edge of the page, extending beyond the trim edge and leaving no white margin. Bleed ensures that no unprinted edges occur in the final trimmed document.

Safe Zone

All critical content that should appear in the final printed publication must be kept inside the pink line.

Trim

Finished size of publication. Trim line indicates where the product is cut down to the desired final size.

Bleed

Background artwork is extended past this red line to be cut off so no white border is visible in the final product.
